---

This year marks the Brewery Artwalk's 30th Anniversary! Started in 1982, the artists of the Brewery Arts Colony have been opening their doors to the greater Los Angeles area, inviting them to experience their life and work inside the world's largest art colony.

Located in downtown Los Angeles, the Brewery Arts Colony is an Artist Studio/live-work complex converted from the industrial buildings of a former Pabst Blue Ribbon brewery and bottling plant, and the old Edison power plant. It now houses over 300 artists and art-related businesses.
